Winter 2010

## Upcoming District 7 Events

**Middle Level Conference at Wellsboro's Rock L. Butler Middle School- March 12**  
**Registration must be postmarked by March 1.**

**District 7 Conference-Troy High School-April 30-May 1**  
**Registration must be postmarked by March 1.**

The District 7 Board is in the process of reviewing an updated District 7 Constitution. The new Constitution will expand the number of people serving on the District 7 Board, allowing for a more representative district board. Each county served by the district would be required to elect a county representative school to serve on the district board. There would be one middle level representative and a District 7 President school.

More information will be mailed to each member school in early March to allow for councils to review the changes. This will be an action item at the district conference. We will vote to approve the changes and then begin campaigning.

Look for the mailing to arrive at your school sometime around March 17th.

### Summer Workshops

Information is now on PASC.net regarding summer workshop dates and locations. Scholarships may be available! Contact Tressa Bishop to learn more!

### Resigning? Retiring?

If so, please keep us posted on who will be taking over as the Student Council advisor for you! It's easy! Just send an email to our membership coordinator at [captkski@comcast.net](mailto:captkski@comcast.net)

### Advisor of the Year Nomination Needed

Do you know someone who should be recognized as an outstanding advisor?

Visit the District 7 page on PASC.net for a nomination form.
