"Making Connections"

March 29<sup>th</sup>, 2010

Hey PASC (:

Hopefully I find you buried in feet of snow. I know at my house there is a dumping of snow outside, three school days to make up, and too much homework for one girl to finish. But any who, you should all be coming to the District Conference at Northern Lebanon, the conference's theme this year is, "Making Connections." March 29<sup>th</sup> is the date where it all happens, so don't be late. The conference starts around 9:00 and ends around 3:00. Hope to see you there.

If you are checking the PASC website, you see that Summer Workshop dates are being posted. Here are the dates for camps this year:

-Grove City **Blue**: July 18 - July 22, 2010

-Lebanon Valley College **Blue**: July 25 - 29, 2010

-Grove City **Gold**: July 11 - 16, 2010

-Susquehanna University **Gold**: July 25 - 30, 2010

-**Advanced Gold** UPJ: July 18 - 24, 2010

An idea this year to try for a successful dance, is to try a spring dance, with underclassman planning the dance. Usually, upperclassmen are bombarded with Prom, Colleges, AP Tests, Finals, and much more, so hand over the "reins" to the underclassmen in the council. Make sure you still have support from the whole council, but let this be planned more by the sophomores and freshmen.

Hope to see you guys in March,

Sammi (:
