

# REGION G Newsletter

I hope that the 2009-2010 school year is going well.

My name is Gracie Sloane, and I am your new Region G representative. I go to Boyertown High school, and I love it there. You could find me at a school game or hanging out with my friends at any given time. At my school I am in my student council homeroom made up of sophomores, juniors and seniors. It's a blast, and there is always a ton of crazy stuff going on. I am so excited. to jump right into Jonelle's shoes, although they will be big shoes to fill I think with her guidance it'll be great!

## **PASC Summer Workshops**

So all of you know, I have yet to be able to attend a summer workshop, but I am greatly looking forward to it this summer. I hope to see some of you there at Gold July 11-16 at Grove City College, or July 25-30 at Susquehanna University. If you have already attended Gold you can go to the Advanced Gold Workshop July 18-24 at the University of Pittsburgh at Johnstown. As for the Middle Level, grades 7 to 9 you are able to attend Blue Summer Workshops. Blue will be held July 18-22 at Grove City College, or July 25-29 at Lebanon Valley College.

If you have any questions about PASC, summer workshops or state conference always feel free to contact me. Or if you have any exciting ideas that I could bring to the state board, let me know!

**GOODLUCK WITH THE REST OF THE SCHOOL YEAR!**

Your new Region G Representative,

Gracie Sloane
