## District 6 Spring Conference 2012

### Bishop Carroll High School

*“BELIEVE”*

Monday, May 7<sup>th</sup> or 14<sup>th</sup>, 2012

Complete information will be sent out as soon as possible!!

## Congratulations Mitchell Kovel!

At the PASC state caucus meeting of District 6/Region C, Everett High School was chosen by the represented school districts to provide the Region C representative to the PASC board of directors.

Everett Area School District Student Council selected Mitchell Kovel as the two-year member of the board. Ironically, Mitch’s father was also a Region C representative whenever he was a student at Everett High School under the supervision of advisor, Fred Bacca.

Here is a message from Mitch:

“Hi, my name is Mitchell Kovel. I am your new Region C Rep on the PASC Executive Board. I am a freshman at Everett Area High School and am involved with a lot there. I play soccer in the fall and basketball in the winter followed by more soccer in the spring.

I co-chair the Constitution and Policy Committee and sit on the Recruitment and Membership Services Committee.

I look forward to seeing you all at the District 6 Conference this spring!”

## MEMBERSHIP INFORMATION

Information about PASC membership should be coming shortly. Be on the lookout for it in April (between the 15 and 30<sup>th</sup>). If you did not receive your information renewal notice, contact Carole Kustafik, PASC Membership Coordinator at [capkski@comcast.net](mailto:capkski@comcast.net).

## 2013 DISTRICT CONFERENCE HOST – WANTED !!!

Any District 6 school interested in hosting the 2013 conference should contact Mindy Leonard at [mleonard@shade.k12.pa.us](mailto:mleonard@shade.k12.pa.us) as soon as possible. You are entitled to a summer workshop scholarship! You and your school district should start planning now for a successful conference. Any questions – please ask!!

### ***“Happy trails to you...”***

Mrs. Sally Nixon, Student Council Advisor from Forest Hills High School is retiring this school year. Congratulations for your dedication and many years of service to the students and community of the Forest Hills School District.

---

### **SUMMER WORKSHOPS: Not just for Student Council...**

Please share all summer workshop information with the clubs and organizations in your school district that have need for leadership development.

PASC summer workshops include all aspects of leadership and don't limit the information to *only* student council.

All leadership instruction is relevant to student leaders at all levels. This is an opportunity for your councils to 'team up' with other groups in your school.

---

### ***Advisor-of-the-Year Nominations***

Any member student council of District 6 may nominate their advisor at the District Conference for recognition at the state level. Contact Mindy Leonard for more information.

An advisor from the High School and Middle Level will be selected.

### **Keep connected**

Have your student council leaders follow PASC activities on [www.pasc.net](http://www.pasc.net). Encourage student council alumni from your schools to sign up on the alumni page.
