ADVISOR OF THE YEAR APPLICATIONS

Any High School and Middle level Student Council advisors are eligible to be considered as the District 6 nominee as advisor of the year. Principals are asked to make nominations. We will be discussing this process at the District Conference at West Branch High School in March. Applications are being formed and will be available on line shortly.

DISTRICT CONFERENCE HOST FOR 2012

It is that time of year again whenever we search for a school to ‘step-up’ to host the next spring conference. Please contact me as soon as possible to express your interest.

We thank West Branch High School for their devoted effort for this year’s conference. Most of PASC member schools have received information about the conference to “Discover Yourself.” *Deadline for registration is **February 11th***. Keep in mind that as you travel to and from West Branch High School, that advisors should carry the necessary medical information for each of their delegates in attendance.

Also keep in mind, that the school hosting the conference is awarded a Summer Workshop scholarship from the District. This scholarship can be used before or after your conference.

REGION C REPRESENTATIVE

Cody Kiser, a sophomore at Shade Jr./Sr. High School in Cairnbrook, PA is the current Region C representative of District 6 to the PASC state board of student councils. Cody has begun his second year of a two-year term. He has co-chaired the NASC Relations committee and sat as a member of the Constitution and Policy committee. The position of Region Rep also includes two summer workshops and opportunities to attend the National conferences and Mideast Region conferences. Cody and I travel together to most events and sometimes take other reps to or from meetings. This travel time allows us the opportunity to share thoughts and ideas with other members of the state board of directors.

The position of Region C representative will be voted upon at the state conference this fall in Altoona. A school will make a presentation at the Region C caucus meeting during the Altoona conference and member schools attending will vote on the school to be given this responsibility. If you have any questions about this position, contact Cody Kiser at cdog1000@yahoo.com. This position on the state board of directors of Pennsylvania Association of Student Councils can provide you with direct knowledge of how this organization works and teach you valuable leadership skills that you will use the rest of your life.

The selected school will conduct a selection process to find the best candidate for their school. This student-leader must be able to commit to the entire two-year process. Advisors with questions can contact me at mleonard@shade.k12.pa.us or by my cell phone at (814) 244-6997. I look forward to working with your student and developing them into a vital part of the PASC organization.

SUMMER WORKSHOPS

Through your attendance at Summer Workshops you can develop your leadership skills, expand your horizons, learn about amazing new opportunities and make new friends across Pennsylvania. Check out the offerings of summer workshops provided by the Pennsylvania Association of Student Councils!

Blue workshops for students entering grades 7,8,9
