Please contact either Mrs. Harris at 570-945-3832 (Fax), or e-mail Edrene Wright at: [edrenewright@yahoo.com](mailto:edrenewright@yahoo.com)

## **NEW REGION D REP TO PASC STATE BOARD**

Congratulations to Mallory Mokay, a freshman at North Pocono High School, who was elected to the PASC State Board for a two year term. Mallory will represent all student council members and their advisors in Districts 7 and 9 (Region D). Advisors have already received an e-mail from Mallory several weeks ago, as she has begun her work.

Mallory is well suited for this huge responsibility as you remember she was the conference co-chair for Delegate Activities at the State Conference in October in Scranton. Sean Todd served with her also co-chairing that Thursday afternoon event.

Mallory, in addition to her service on the PASC state board is also a member of her school's Red Cross and SADD chapter. In addition she is active in sports playing JV Basketball and volleyball.

Mallory lives in the North Pocono School District with her mom and dad and her younger brother. We are very fortunate to have Mallory Mokay as our Region D rep and wish her well in all her leadership endeavors.

## **OUTGOING REGION D REP**

Student Councils in Region D thank Destiny Ostrowski, Elkland High School senior, District 7 for her two years of service representing all of us across northeastern and central Pa. Destiny never missed a state board meeting, offered all of us help as we encountered our big projects and made sure she not only attended the state conferences, but more importantly our district conferences each year. That was a lot of travel up and down and across our big Region. Destiny we thank you and wish you well as you graduate in June and embark on your college career.
