The PASC State Conference Returns To D

Congratulations to Boyertown Area High School for being PASC State Conference to be held on November 7,8,9. The District is excited to begin the two year process of hosting the premier of the conference is "Feel the Rhythm of Leadership". Best wishes as they embark on this incredible journey of learning and growth at this great conference.

Speaking of conferences..... this year Boyertown is also hosting the March 2, "Keep Calm and Dream On" Districts 10 and 13 will come to an exciting and informative day. Unfortunately, the PASC State Board meeting will be present to review the final plans for the Laurel/Union Conference. The District Director will be attending the Region G Conference and can answer any questions you have.

Advisors, you asked and we listened.

At the State Conference in Altoona many of you suggested a workshop. The Board has planned an Advisors Workshop for June 27-28 at Susquehanna University. Visit our web site for more details.

Students, now is the time for you to nominate your

Advisor of the Year nomination forms are posted on the District 1 website. It is time for you to give your advisor the recognition he/she deserves. This award is for all school advisors. Please download the application today and send it to your advisor.

Stay connected, renew your membership

PASC membership renewals will be sent to all schools in April. Please send in your dues in April or early May to avoid ending the school year with a pile of paper work at the end of the school year. Please return your dues in a timely manner.

“Ignite Yourself, Your School and Your Community”

The 76th PASC State Conference, November 1-3, 2012

The PASC State Conference for 2012 will be hosted by Laurel and will be held on November 1, 2, and 3. I will be looking into a chartered bus for the conference rather than drive 5 plus hours to New Castle. I will be sending out information to all advisors by the end of February. Look for a mailing in April from the PASC office.

PASC Summer Workshops

“the best thing you can do for your Student Council is to attend the PASC Summer Workshops”

Summer Workshop information is available on the PASC website. Please check the website for information now, so they can make plans to attend this summer. The PASC Summer Workshops are valuable for not only student council members, but also for officers, honor society and other club members.

And now presenting our new Region G Rep.....

Hello everyone! My name is Elizabeth Bina and I am the new Region G Representative. I am extremely excited about this new position and look forward to working with all the directors from our region and the state to better our student councils.

I would like to take this opportunity to say a few things about myself. I am currently attending Bangor Area High School. I am president of my class and a member of the student council. I run track and field with my school, take dance classes at a local studio, and I am also a member of my school's scholastic scrimmage team.

I would love to meet you all at our regional conference in March. I will be attending the PASC board meeting at that time. Hopefully, a video will be presented at that time. I will be presenting the other regional representatives and I have and will be working on projects. If you have any questions, comments, or concerns, my email address is elizabeth.bina@bangorareahighschool.com

Students please contact Elizabeth with any questions or concerns about PASC and the programs we offer.

We need you for the District 13 Board

Please contact me if your school is interested in serving on the District 13 Board. We have plans for a meeting sometime in April. We need to have two high schools to host the conference.

Summer Workshop Scholarships from District 13 will not be available this year as our District Conference had to be held at South Mountain. As a result, the number of scholarships was limited. Hopefully, we will be able to offer the scholarships again next year.

Are you ready to host the District 13 Conference? Now is the time to let me know. Please contact me if you are interested and I will be happy to coordinate with your student council about hosting the spring conference. This is a great opportunity that gives them the opportunity to use their leadership skills beyond the classroom.

Have a great spring, I will look forward to hearing from you about hosting the District 13 Conference.

Be sure to check the PASC web site for detailed information. If you are not receiving the PASC Newsletter by email please contact me at 775 0682.
