March 2023

REGION DIRECTOR'S CORNER

Happy Spring! As we enter into a very busy time of the school year, I hope you find time to get outside and recharge with some (in my case, much needed) vitamin D.

We have a lot of new faces in Region G. I want to start by welcoming new advisors and mentioning that I am here for anything you may need. If I don't have the answers (I may not), I will work hard to find them for you. On a similar note, we are looking to add more member schools to region g. If you know the Student Council advisor from a neighboring school, please feel free to share this newsletter with them and give them my info. I'd love to hear from them and see how I can help!

Unfortunately, we did not have time to have a caucus during the recent region conference. Because of this, we have important info that needs to be discussed.

Of the most important, is that we need a region board. I am looking for a student rep to sit on the PASC executive board with me. We currently have a President (Troy MS) and President Elect (Wellsboro HS), but no other positions are filled. Please reach out if you are interested in 1st VP, 2nd VP (MS), Secretary or Treasurer. We meet 4 times a year- 2 virtual and 2 in person (state convention and region conference).

CONFERENCE RECAP:

Thank you to the schools who attended the Region H/G spring conference last Friday! Hopefully you found it meaningful and brought back some good ideas and met new friends! Please consider filling out the feedback form that was emailed from Region H to help them improve future conferences.

Region G Advisor of the Year: Congratulations to Ms. Melissa Caudill from Troy Area Middle School for being named the 2023 Region G Advisor of the Year!

IMPORTANT ITEMS

PASC summer camps are back and registration is live! Visit pasc.net for more information!

The 2023 State Convention is being held in Altoona on September 22 & 23rd! Please note the early dates. Workshop applications are being accepted now.
