Happy May Region H!

I have a few May related topics to share. As always, please let me know if you need further clarification or assistance.

**1. SENIOR FAREWELLS:** We are looking to wish our graduating seniors good luck, and would love to recognize them on the region's Instagram account. If you would like to share, please send pictures of your council's seniors. If you want to include their future plans, feel free to do so. I would like to start sharing our Senior Farewell posts in the next week or so - please send information whenever you can.

**2. Summer Camps!** Early Bird registration closes in a few days. PASC Scholarship information has been posted. Please let me know if you have any questions or I can be of any assistance!

**3. Region H & PASC Executive Board** - we have some openings on the Region Board that I would love to fill for the fall: (1) Secretary (2) Middle Level Rep (North and South needed).

There are also several adult chairs open for the PASC Executive Board: (1) Assistant Executive Director (2) Membership & Recruitment Coordinator (3) NatStuCo & Educational Relations Coordinator. If interested, applications are due June 1, 2022.

**4. Membership.** I know some of you had issues with membership payments or needed an invoice, so I created a fillable membership form. You only need to complete membership for the 2021-2022 school year **IF** you have a student attending summer camp. IF you do not, please look at paying for next year. The Membership Coordinator job is open and will be filled this summer. Right now, if mailing a payment, please send the check AND a copy of the invoice to RoseAnn Fulena. Mailing address and check details are included on the Membership Invoice. **I encourage you to scan and email me a copy of your invoice so I can track your membership information/ payment.** PLEASE let me know if you are unable to complete the invoice process. I know you have to download and print the form once it's completed. This was my first crack at making a fillable form, but I know some of you wanted to pay now for next year.

**5. PASC State Conference:** Workshop applications are open and due over the summer! If you have students who plan to apply, please make sure they are aware that an advisor **MUST** sign off on their application. Also talk with your administration for approval to attend the state conference! Registration will only be open for most of September for this 2 day state conference!
